OUR HISTORICAL PERSPECTIVE

optimism with faith leads to achievement

HAPPY HOME ENGLISH SCHOOL (H.S) was established in 1985 by the ardent patron of education, Late Ashish Choudhury who dreamt of promoting education to the resident of Batanagar and the adjacent areas. Over the years the school has been developed into a very big and successful institution in the vast zone of Maheshtala looking into the integral welfare of the students, HAPPY HOME ENGLISH SCHOOL is being government by the IDEAL HAPPY HOME EDUCATIONAL SOCIETY.

In the year 2013 1st January the school received the prestigious certificates of affiliation to the west Bengal Board of secondary education for Madhyamik Examination. Again in 2016 HAPPY HOME ENGLISH SCHOOL has moved towards becoming HAPPY HOME HIGH SECONDARY SCHOOL through the certificate of affiliation from the West Bengal council of higher secondary education.

Presently the school has over 700 students from play Group to Senior classes. The dream envisaged by the founder of our school, a kind hearted eminent personality has become true and this has provided a solid foundation towards the establishment of our school.

HHES

Happy Home English School (H.S) is a renowned and prestigious institution of Batanagar and I feel extremely happy and privileged to be part of this magnificent educational institution. I gratefully acknowledge the yeoman service of my Predecessors, dedicated Teachers & Staff and ever supporting parents and well-wishers of Happy Home fraternity. May God be gracious to you all for your noble contribution towards the institution and nation building.

Today we are living in a fast-changing complex society, which presents before us challenges as well as opportunities. In this context it all depends on every individual how one responds to the situation with the right mindset. I remember the words of Benjamin Disraeli, "Nurture your mind with great thoughts, for you will never go any higher than you think." Indeed, we need better education to have better thoughts, to be better human persons, to build a better society. I firmly believe that every human being endowed with various talents and skills is a precious gift of God. I am very pleased to bring to your notice that Happy Home English School is one of those Schools which provides ample opportunities along with a value based wholesome quality education to nurture the inner potentials of every child.

I wish and pray that everyday be a special day for every child who enters the portals of HHES, with a heart and mind set to grow more than yesterday. The following lines of John L. Mason are worth pondering,

"...Do more than grow. Bloom.
Do more than hear. Listen.
Do more than talk. Communicate.
Do more than think. Create.
Do more than work. Excel.
Do more than decide. Discern.
Do more than read. Apply.
Do more than dream. Do
Do more than wish. Believe.
Do more than change. Improve.
Do more than exist. Live."

And Live with a purpose in your heart. May the theme song "Let God's wisdom flow through us", be the guiding force and may the blessing of the Almighty God be with you all for a successful academic year.

Happy Home English School provides a warm, caring, stimulating and challenging environment in which our students learn and develop. We aim to provide an education that explores and strengthens the potential, which is innate in every individual but awaiting expression. In order to do so, we seek to provide an environment, which enriches the intellectual, spiritual, emotional and physical development of the pupil in an atmosphere that is happy and nurturing. Emphasis is thus placed on promoting personal achievement, building a sense of responsibility and ultimately securing a strong sense of self. In Happy Home English School there is a strong ethos of parental involvement for we recognize the need for open communication between the school and the home. It is only when teachers, students, parents and other members of the community work in partnership that a child can grow into an adult who displays sensitivity, integrity, good citizenship and respect for human diversity.
